PROFILE

I'm a dedicated Mobile Developer at Beincom, specializing in React Native. With expertise in Java, Kotlin, Swift, and React Native, I contribute to impactful projects. I'm passionate about staying updated with mobile tech trends, eager for new challenges. Beyond work, I enjoy singing and connecting with fellow mobile professionals. Let's explore collaboration opportunities.

EMPLOYMENT HISTORY

Senior Mobile Developer at Beincom, Ho Chi Minh

November 2020 — Present

During my three-year tenure as a Mobile Developer at Beincom, I had the privilege of being a part of the core team responsible for building the app from the scratch. I have also mentored junior developers, fostering collaboration, and staying updated on mobile trends. My contributions have delivered successful, user-friendly apps, contributing to our company's success.
