👤 PROFILE

I'm a dedicated Mobile Developer at Beincom, specializing in React Native. With expertise in Java, Kotlin, Swift, and React Native, I contribute to impactful projects. I'm passionate about staying updated with mobile tech trends, eager for new challenges. Beyond work, I enjoy singing and connecting with fellow mobile professionals. Let's explore collaboration opportunities.

💼 EMPLOYMENT HISTORY

Senior Mobile Developer at Beincom, Ho Chi Minh
November 2020 — Present

During my three-year tenure as a Mobile Developer at Beincom, I had the privilege of being a part of the core team responsible for building the app from the scratch. I've also mentored junior developers, fostering collaboration, and staying updated on mobile trends. My contributions have delivered successful, user-friendly apps, contributing to our company's success.

Skills: TypeScript Android SQLite RxJS React Native Kotlin iOS

Mobile Developer at Futurify, Ho Chi Minh
February 2020 — November 2020

As a Mobile Developer at Futurify, I played a key role in the development of notable apps like Kwilt, EveHR, YouVersion (Holy Bible), Ziisty, and VR HideLight. My responsibilities covered the entire app development cycle, from collaborating on requirements to designing user-friendly interfaces and optimizing performance.

Skills: React Native Kotlin Crashlytics Cloud Firestore Android

Mobile Developer at Vietvang, Ho Chi Minh
January 2019 — September 2019

As a Mobile Developer at Vietvang, I played a vital role in developing the Hakobiya app. My responsibilities included analyzing requirements, designing user-friendly interfaces, and implementing robust mobile solutions. I collaborated with cross-functional teams to ensure the app met high standards of performance and user satisfaction.

Skills: Android Kotlin iOS Firebase BA

Mobile Developer at 3Stone, Ho Chi Minh
May 2018 — August 2019

During my tenure at 3Stone Corp as a Mobile Developer, I played a pivotal role in the development of both DMS (Distribution Management System) and POS (Point of Sale) mobile applications.

Skills: iOS Development Android BA

🎓 EDUCATION

Bachelor of IT, FPT Polytechnic College, Ho Chi Minh
September 2014 — December 2017

Graduated with 8.4 GPA
